

PROPHECIES OF THE INKAS: PREPARING FOR 2012

With Altomisayoqs Juan Nunez and Ivan Nunez

May 28 - 30, 2010, 10 – 5 PM each day

Punderson State Park, Newbury, Ohio

Every few years we are blessed to have world renowned anthropologist and altomisayoq (*carrier of a high level misha*) Juan Nunez del Prado visit the Ohio area. This year his son, Ivan, also an altomisayoq, will be joining him as they share the deeper mysteries of the Inka prophecies concerning 2012, “the time when we will meet our true self once again”.

The Andean spiritual arts are open to all beings. It is a true universal path of mystical teachings that has been preserved for over 500 years by the priestly lineage of the remaining Inka descendents still living in South America. Juan and Ivan will share these very deep and practical teachings that have so much to teach us about ascension, expansion and preparation for the transformation that we are currently experiencing.

This workshop will cover:

1. Qanchis Pata Nan: the path of seven steps. A description of the 3 (Right, Left and Center) specific ways for practicing the inner tradition.
2. The path of seven steps as a universal pattern. A comparison of six different spiritual traditions demonstrating the seven universal steps to universal knowledge. This provides us with a reliable pattern for discovering our true self.
3. Andean teachings to prepare for 2012.

4. The meaning and function of the *misha*. (*misha* is the original *qechua* name for the ritual package carried by *paqos*. *Misha* means “sign”. “*Mesa*” is used in the *Andes* but it is Spanish and it means “table” so it is not the most accurate translation). Practical training for using the *misha* during our personal practices and as an Andean *paqo* (initiate).
5. Obstacles to development of the fourth level. Fixations on the third and lower levels. This may be interpreted as obstacles to understanding universal truth and unity as expressed in all areas of life.
6. *Runa Pacha Kausay*: The practice of identifying with the phases of human existence in this world according to the Andean teachings.
7. *Art Kallawaya*, *Tata Lorenzo*: The sevenfold human connection to the cosmos, according to the teaching of the Bolivian Master *Tata Lorenzo*. *Kallawalla* is a nation like the *Q’eros* (of Peru), they are the keepers of the tradition in Bolivia.
8. *Tata Lorenzo*. *Tarpu*: A fully customized connection with the 3 worlds, *Hanaq Pacha*, *Pacha*, and *Ujupacha Kay* (lower, middle and upper worlds) according to the teaching of the Bolivian masters.
9. The teachings of Jung and the Andean tradition: The correlation of the Andean spiritual practices and the process of individuation or amplification of consciousness according to the depth psychology of Carl G. Jung.
10. Perceptions of Opening the 4th level: The geocentric worldview. The cosmological limits of the Andean tradition and other ancient traditions, in reference to contemporary cosmology. The cosmological 5 revolutions.
11. *Muju-Qaway Willka*. *View*. *Collective System Expansion*: A practical system to amplify subtle perception according to the new cosmology.
12. *Tusuy* (Dancing). *Don Melchor’s Tawantin*, the *Soqtatin Yantra*: An exercise of incorporating the dimension required to participate in the 2012 anniversary. Identification with galactic dimensions.
