- The fee includes 3 vegetarian meals daily, the excursion to the Birbri shamans, and retreat training/guidance. Price does not include additional excursions, airfare, transportation to and from Samasati, (group transportation will be arranged once all flights are confirmed) or personal incidentals.

Thank you for your participation in this retreat. It is my experience that once you have signed up for a retreat, the retreat begins to activate deep within your being. You may start to sense a stirring inside, spiritual clearings and spiritual yearnings coming to the foreground. This is part of the retreat process. In order for emergence to occur, purification begins to clear the way for the new you!
